

The iClicker Titanium integration allows grades from iClicker sessions to be uploaded into a Titanium course. Please email lsadmin@fullerton.edu if you need assistance with this process.

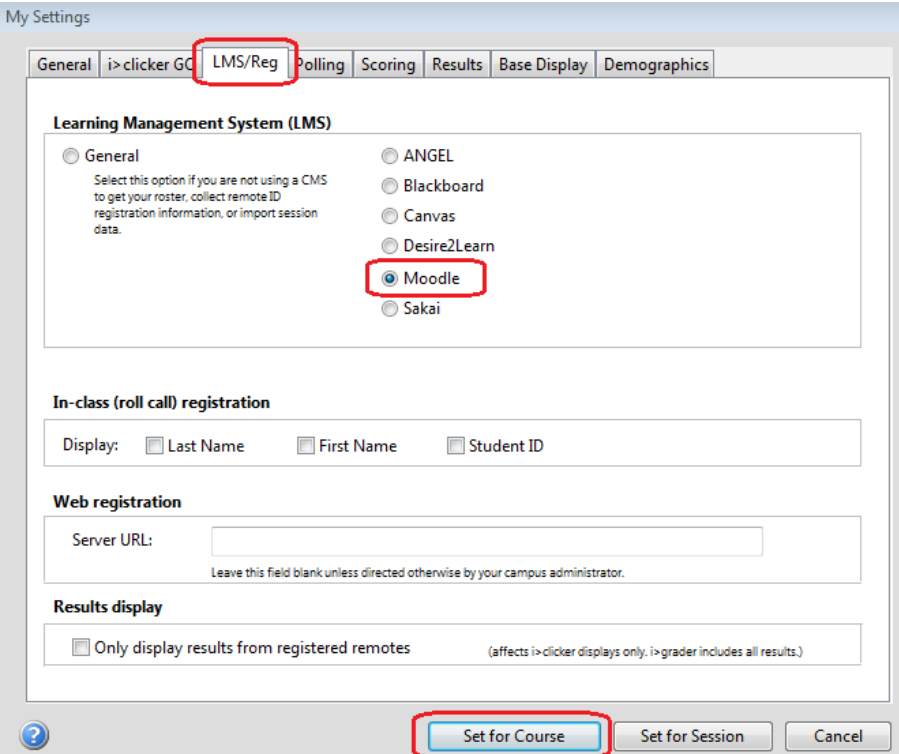

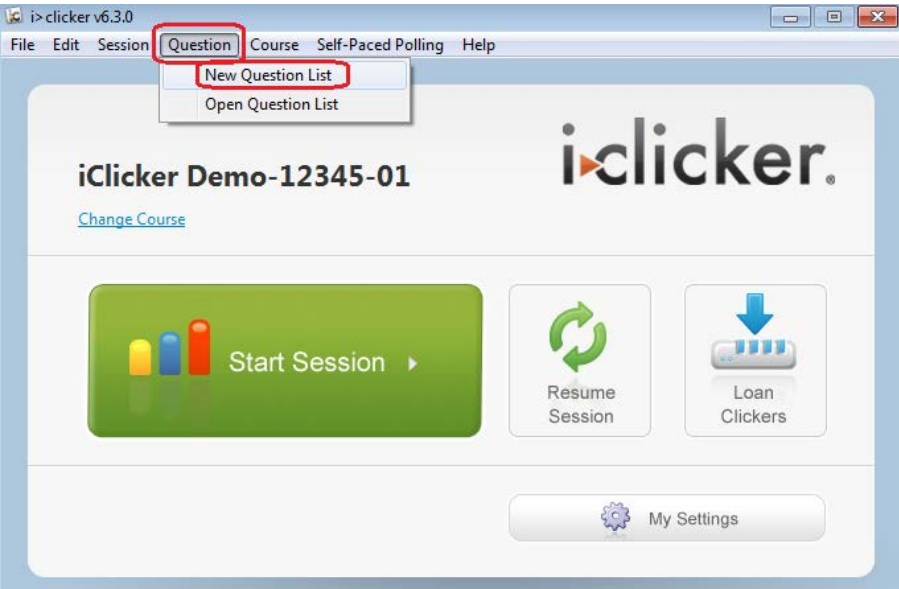

Processing Steps	Screen Shots
<p>Step 1: Browse to the main page of the course you want to enable the iClicker block in.</p> <p>Click the "Turn Editing on" button.</p>	 <p>The screenshot shows a user logged in as 'Matt Ahola'. Below the login information is a language dropdown menu set to 'English - United States (en_us)'. A button labeled 'Turn editing on' is highlighted with a red rectangular box.</p>
<p>Step 2: Under "Add a block", in the bottom left of the page, click "Add..."</p>	 <p>The screenshot shows a blue-bordered box titled 'Add a block'. Inside the box is a dropdown menu with the text 'Add...' and a small downward arrow. This dropdown menu is highlighted with a red rectangular box.</p>
<p>Step 3: Select ">clicker" from the "Add a block" menu list.</p>	 <p>The screenshot shows the 'Add a block' menu expanded into a list. The list includes various options such as 'Add...', 'Admin bookmarks', 'Blog menu', 'Blog tags', 'Calendar', 'Comments', 'Community finder', 'Course completion status', 'Course/site summary', 'Courses', 'HTML', '>clicker', 'Library search', 'Logged in user', 'Mentees', 'Messages', 'My private files', 'Online users', 'Quiz results', 'Random glossary entry', and 'Add...'. The '>clicker' option is highlighted with a blue background and is also circled with a red rectangular box.</p>

<p>Step 4: Instruct students to register their clickers by clicking “Remote Registration” in the iClicker block in the course.</p>	
<p> Note that instructions for students registering their clickers are available in Titanium after they click “Remote Registration” in the iClicker block.</p>	<p>Where do I find my remote ID?</p> <p>Your i>clicker remote ID is printed on a sticker located on the back of your remote. The ID is the 8-character code below the barcode. Newer i>clicker 1 remotes and all i>clicker 2 remotes also have a secondary location for the remote ID (see illustration).</p> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;"> <p>i>clicker 1</p>  <p>Behind Battery (newer models) Back</p> </div> <div style="text-align: center;"> <p>i>clicker 2</p>  <p>Back Power On Screen</p> </div> </div> <div style="text-align: center; margin-top: 10px;">  <p>123ABC78</p> </div> <p>What do I do if I cannot read the ID printed on my remote?</p>
<p>Step 5: Confirm that students have registered their clickers. Click “Instructor Report”.</p>

<p>Step 25: Instructions regarding the session summary may appear. Click the “Close” button.</p>	 <p>The screenshot shows a 'Session Summary Instructions' dialog box. The text reads: 'To review and grade your individual sessions, click the session column you want to view. The column highlights. Click the session column again to open the Session Summary window.' There is a checkbox for 'Don't show this message again.' and a 'Close' button (highlighted with a red box).</p>										
<p>Step 26: If this is your first time syncing grades with Titanium, you will need to fill out the LMS Username and Security Key fields. The LMS username is your CWID (campus wide ID). This is a 9 digit number starting with an “8”. The Security Key needs to be generated and copied from the iClicker block in Titanium.</p>	 <p>The screenshot shows the iGrader v6.3.0 interface with an 'iClicker Integrate' dialog box open. The dialog box is titled 'Log in to your Learning Management System' and contains the following fields:</p> <ul style="list-style-type: none"> LMS Description: Moodle LMS Username: PutYourCwidHere (highlighted with a red box) LMS Password: No Password, Single Sign On Enabled Security Key: gcMU0WFB0aWQ (highlighted with a red box) <p>There are checkboxes for 'Save my login credentials' (checked) and 'Automatically log me into my LMS'. 'Log In' and 'Cancel' buttons are at the bottom. The background shows the same student roster table as in Step 24.</p>
