

GE FORUM DAY 2009

“Our New GE? LEAPing into the future”

Friday February 6th • Fullerton Marriot, 8:00 am to 1:30 pm

***Will change come to Cal State Fullerton’s General Education program?
You can help answer this question!***

In response to a new executive order governing General Education from the Chancellor’s Office (EO 1033), in light of AACU’s LEAP initiative (Liberal Education and America’s Promise), and as a result of our own Program Performance Review of General Education, the GE Committee is considering substantive changes to this vital part of our educational mission.

At the Forum, the committee will seek your input regarding revised learning goals in light of LEAP, EO 1033, and a proposed re-alignment of CSUF’s I-V categories to match system-wide classification.

We need your input. Plan on attending this critical session and participating in GE area breakout sessions. Your contribution will help promote Excellence in Education at Cal State Fullerton!

KEYNOTE SPEAKER: Gail G. Evans
*Dean of Undergraduate Studies,
San Francisco State University*

A highly regarded speaker at AACU conferences, Dr. Evans is seen nationally as an expert on implementing LEAP. Before coming to San Francisco State, she helped successfully revise San Jose State’s GE program.
