The Three Categories of Service

Service to Students - service in this category involves activities outside of normal teaching responsibilities and involves extraordinary service to students, for example in the area of mentoring or advising.

Service to the University - service in this category involves extraordinary activities to the department, program, college, or university and may include outstanding leadership activities in the area of collegial governance.

Service to the External Community - service in this category may involve extraordinary activities in the local community, the state, nationally, or internationally.
